| We are in the Witney Gazette with the battling boilers carnival. GF suggested a special edition of the NLN with a CNL cover. | |
| <p>A.O.B.: JL mentioned GM has found fame at Climate Xchange having appeared in one of their presentations. GM asked that non group members not be included in emails specifically regarding group business. Sometimes we are discussing sensitive issues such as the prize money which are inappropriate beyond the coordinating group. Action ALL to make sure email lists do not contain non-members. JL suggested we have a rota to attend the PC, this was not formalised by GF to do November and CK to do December. It is worth minuting that this month GF had no A.O.B. MLP asked if anyone in the group was keeping press clippings and GF reported that he has a scrapbook. CK asked if thermometers had been delivered, the answer being no. GM thought that these were to be sent out with the newsletter. CK to chase AR re newsletter. CK to email group a list of energy saving ideas for Christmas</p> | ALL, GF, CK |
| <p><i>Date of next meeting:</i> 12 November GF to attend the PC.</p> | GF |
