

<p>The group decided we could show it again in the centre of NL. MLP suggested that we should use the notice board in Witney by the entrance to Woolgate to promote group activities. SK to book a date for the Memorial Hall.</p>	
<p><i>Comments on Newsletter:</i> SK said that these had not all been delivered, gaps in Common Road and New Yatt Road. CK to do Common Road and GF and JL to do New Yatt Road. No feedback received by group members from public. SK thought it made a nice change of style. GM pointed out the scientific inaccuracies.</p>	CK, JL
<p><i>Update on Lomax and Staines offer:</i> L&amp;S are very pleased with the interest. RP finds it useful for people who are asking where they can get the bulbs. SK wondered, if they are that pleased, perhaps they would sponsor our publicity. CK to approach them for something to give out with the calendars. RP informed the group of Focus “beat the ban” campaign to sell 100W incandescents.</p>	CK
<p><i>Rob Pritchard's report:</i> The group congratulated RP on his fine award! RP commented on the number of people from outside the village that he meets at the memorial hall. Main interest is from people with problems with the CCMs. The lightbulb display is still a draw.</p>	
<p><i>Comments on Saturday morning shifts at Memorial Hall:</i></p>	
<p><i>SE Update:</i> Octobers saving is 3.25% There have been problems with the community energy website which has delayed the letter. RC's boss has suggested IR surveys for the whole project area. This will also go in the letter and on the display. Results could be linked from the CNL website. The survey will happen 1<sup>st</sup> week of December (all being well). Village hall energy advice. CK to liaise with MHC and GF to arrange. There have been some technical problems with the display. Reception is not good but this may have been fixed. SE will not attempt to move it closer to the window. GF has had enquiries about “advertising” on the display. CK has counted 9 CNL/community pages and 8 SE pages. CK is to be chief content manager cos she has the technology apparently. GF to write this up in the NLN so that only two pages for the community events.</p>	GF, CK
<p><i>Calendar Update:</i> JL presented update of work on calendar. Very short of photographs. JL and LH to have the calendars ready by start of December. RP to send photograph to JL.</p>	JL, RP
<p><i>Media Report:</i> CK said we should publicise the display to the Witney Gazette. GF to arrange. GM to put CK's list of energy saving Xmas ideas on website.</p>	GM, GF
<p><i>Website Update:</i></p>	
<p><i>Spring event:</i> 20<sup>th</sup> February 11-4. CK is booking stall holders and others.</p>	CK

<i>Allocation of remaining funds:</i> Green Fair in June. TBC.	
<i>A.O.B:</i> GF followed up white goods scrappage but no leads. GF reported that the PC passed on their congratulations to RP. GF asked RC what the national trend in energy use is. JL and SK visited the MH but didn't have great success. They need more accurate figures for insulation etc.	
<i>Date of next meeting:</i> 10 December SK's house. GF to attend the PC.	GF
