

<p><i>Report from MHC meeting:</i> GF reported back from the meeting with the MHC and SSE Contracting. There is a good chance that an ASHP could be installed to heat the main hall. SK raised possible objection on grounds of noise. Possibility of installing small amount of PV. These two main options will be costed. It was also discovered that the loft insulation is negligible. Also 47 50W LV bulbs which should be replaced with low energy equivalents. The controls will also be locked away. A report will be drawn up and presented to the group. SK asked if SSE would give us a discount on PV panels. PV obviously looks good for SSE because it is "electric". Much discussion ensued as to the mechanics of how the money is spent. SK agreed to be the technical liaison from CNL working with MHC and SSE.</p>	SK
<p><i>Calendar:</i> Everyone was very impressed by the efforts of Calendar girl LH. Delivery needs to be ASAP. Hilary has offered to help. Group split up the patch for delivery.</p>	ALL
<p><i>Age of Stupid:</i> This has been cancelled due to lack of projection equipment. CK to get the cancellation onto the display screen. 3 other dates are available, 9th February, 16th and 30th March. Much confusion ensues over the timing of pancake day. Group decides the 16th March is most preferable followed by 30th March.</p>	
<p><i>Spring Fair:</i> 20 February 11-4pm. All of the committee is available. CK has organised some stands. AR to publicise the northmoor trust buses. CK asked that everyone chase up possible stands. Give or Take to be organised. GF to inform local press, CK to get the display updated and Witney Gazette. GM to update website. Photo competition "Green Living". GM to buy mobile phone chargers as prizes. MLP to do refreshments. Tombola. JL to get wind up torches. SK to do a banner.</p>	ALL
<p><i>Media Report:</i> GF apologised for the appearance of last months NLN. It was beyond his control, relations with the NLN committee are not currently good.</p>	
<p><i>Final Newsletter:</i> GF suggested an end of project theme. Carried over.</p>	
<p><i>Website update:</i> GM gave an update.</p>	
<p><i>Purchase of book:</i> GF has discovered a book. "Sustainable Energy without the hot air". GF to purchase and circulate.</p>	GF
<p><i>Future Events for 2010:</i> Green Fair 19th June. CK does not want to be the sole organiser – none of us ever do anything! Planning carried over to Feb meeting.</p>	

<p><i>A.O.B.</i> SK wants a metal sign for the village (approx cost 5x£200) discussion ensued about slogans “low energy but not lethargic” was my favourite... SK speaking with RC trying to get the insulation offer expanded to include solid wall properties. SK has pursued the possibility of giving away more energy saving gadgets but it looks prohibitive. LH reported on Tesco's efforts to reduce their energy usage recently seen on Panorama. GF asked about the PC meeting. Also, have we lost track of the Eco-school effort? AR to chase. GF announced his retirement again. MLP asked about Megan's feedback – we have not heard from her. GF has an action to email her. SK asked GM to chase the “Mega Slide” offer from JackFM. JL pointed out that we don't go through the actions of previous minutes.</p>	SK, AR, GM, GF
<p><i>Date of next meeting:</i> 11 February 2010 CK to attend PC meeting.</p>	CK
