

<p><i>Review of Spring Fair:</i>  JL reported on new faces  SK like the buses from the Northmoor Trust. Shame there were few children attending.  MLP pointed out that most footfall was before 3pm  RP was busy and thought it was a good networking opportunity.  GM pointed out that the Eynsham group came to look for advice and get to know us.  CK was pleased that WODC was present for the first time.  JL was disappointed that the NMT reps were not dynamic or proactive.</p>	
<p><i>Age of Stupid:</i>  posters are up but plenty left. John wants to get into the hall from 5pm. SK, JL, CK, GM cannot be there at that time. GF can but we'll need to pay to an extra hour/block. SK to talk to Alza. GF to pick up keys. JL made the bartender watching the film compulsory. At this point IL made us all a lot happier by buying a round of drinks.</p>	SK, GF
<p><i>Green Fair:</i>  <b>SK to ask the scouts.</b>  Windmill players are coming in full costume.  WI will be doing the cake stall  <b>JL still to talk to school</b>  SK wondered if the scout tent could be used. JL suggested it could be used as a projection tent. This was not popular with CK or GF  CK suggested activities in the scout tent.  IL suggested approaching groups in other communities.  SK suggested an afternoon event to avoid the lunchtime lull and then a separate event in the evening.  <b>CK to talk to Steve Battersby regarding music.</b>  7-11  1-4  We need an ents license – <b>JL and alisons help</b>  GF has a professional DJ for a son.  <b>CK to sort out pig roast.</b>  <b>SK to sort out a bouncy castle</b>  <b>CK to sort out chinese lanterns</b>  <b>JL to sort out Green Man.</b>  <b>CK to ask Sarah in library about storytelling</b>  CK asked us to think about CNL content for the fair.</p>	SK, JL, CK
<p><i>GF's spot:</i>  GF's activities and achievements list will be recirculated.</p>	GF
<p><i>Website:</i>  GM presented update.</p>	
<p><i>Media:</i>  <b>GF to explain in NLN why the result is not out yet.</b>  <b>GM to list the Green Fair in Jackivities.</b>  JL asks GF to mention that residents should not start to burn electricity now this phase of the project is drawing to close.</p>	GF, GM

<p><i>A.O.B.</i>  GF told IL about the role of TVEC. There were problems with external groups taking control of budgets. JL pointed out that this group has so many skills that we didn't really need the help of professionals.  GF asked about the other projects and IL admitted that they are all rural communities.  CK reminded the group about the meeting in Witney with DC. JL may be going but may not be any point.  GM asked about the other two groups. Getsmartwithsaintathen – wales.  Alyth – scotland.</p>	
<p><i>Date of next meeting:</i> 15 April 2010  GF to attend PC meeting on 8 April.</p>	GF
